MC2 Volunteers at Kilbourn Park Organic Greenhouse

This past weekend, MC2 volunteered at the Kilbourn Park Organic Greenhouse for a day of community service. The event was part of Chicago Cares' ongoing efforts to engage and support our local neighborhoods through volunteerism.

At Kilbourn Park, MC2 rolled up their sleeves and got to work tending the garden. Tasks included watering and weeding the beds, ensuring the fruits and vegetables remained healthy and vibrant. This hands-on experience not only contributed to the upkeep of the beautiful greenhouse but also offered volunteers a chance to learn more about gardening.

One of the highlights of the day was the opportunity to meet and interact with other community members who also volunteered. It was heartwarming to see so many individuals come together with a common goal: to make a positive impact on their environment and community.

If you're interested in volunteering in your neighborhood, follow this link to learn more information about [Chicago Cares](#).
